

PORTFOLIO

Ankita Gurjar

Graphic Designer

Hello, I am a certified professional designer with expertise in graphic illustration, product design, and social media campaigns. With three years of experience in this field, I am dedicated to delivering the highest quality services in a timely manner. My goal is to establish long-lasting and mutually beneficial business relationships.

My Skill & Expertise

- Graphic Design
- Social Creative
- Video Editing
- Conceptual Design
- Party Flyer
- Web Design
- UI Design
- GIF Creation
- Infographic Creative

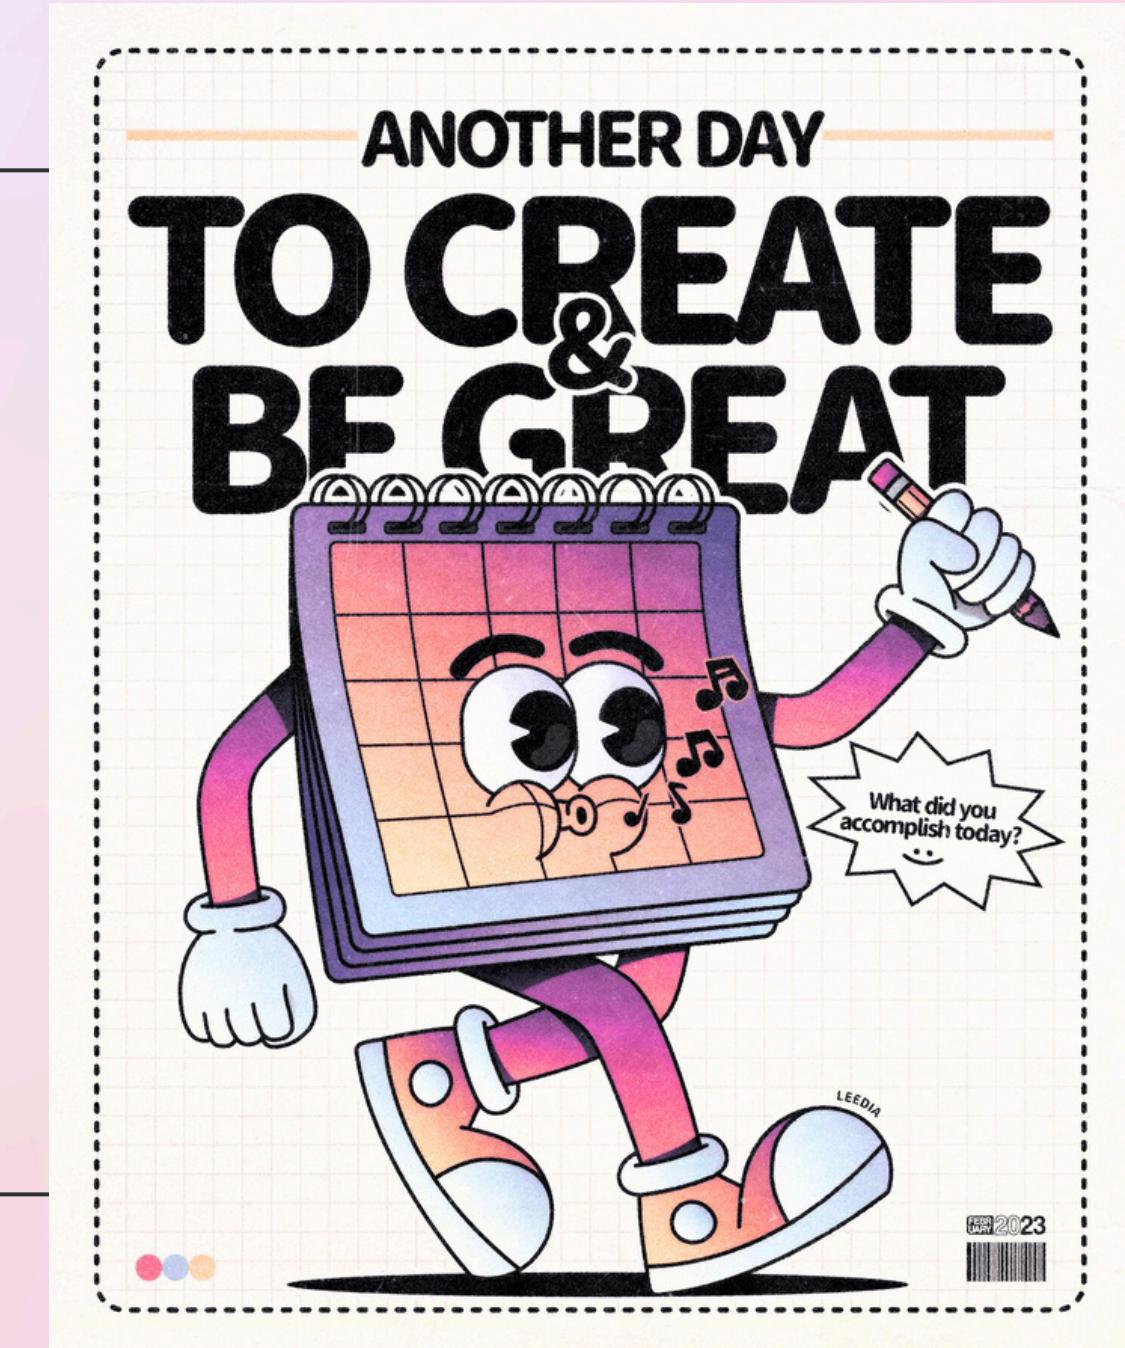

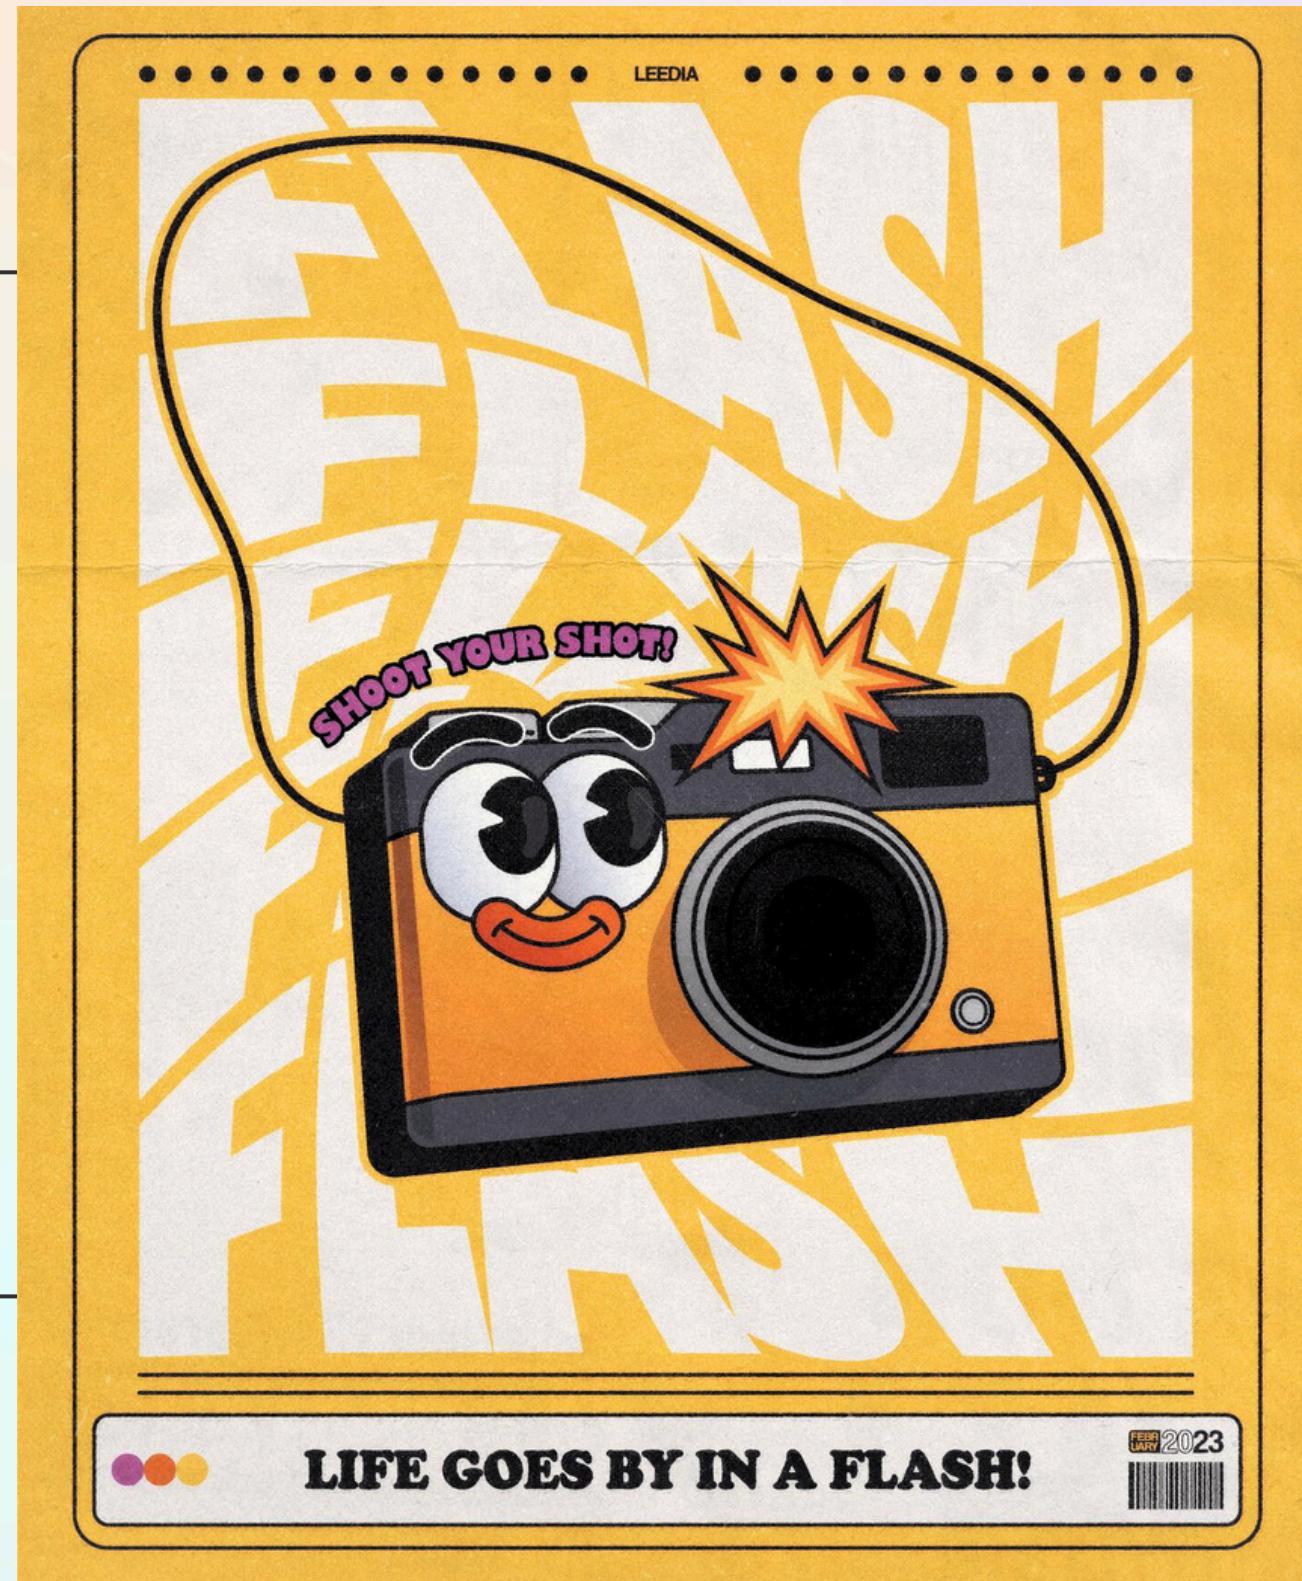

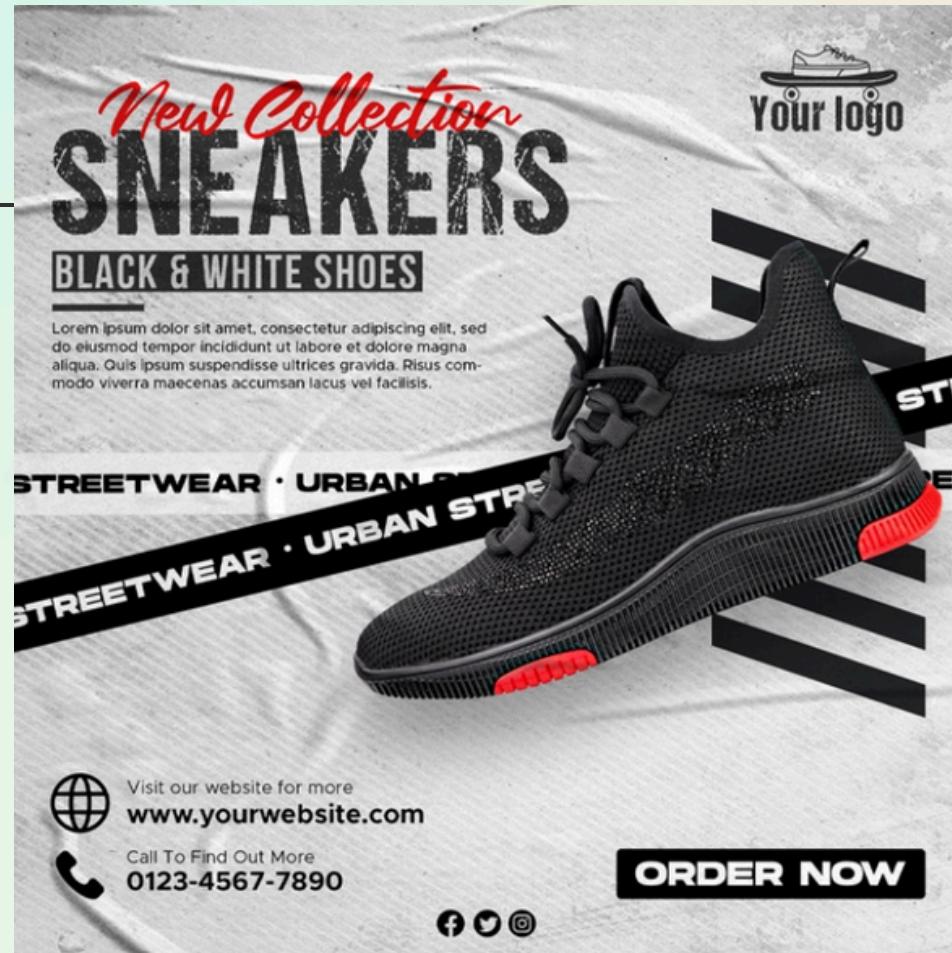

Brand Design

I had the privilege of assisting a beloved company in updating their visual identity and revamping their brand to reflect a new and exciting business direction. By employing my skills in graphic design, I played a crucial role in creating a fresh and captivating brand image that perfectly aligned with their vision. It was a fulfilling experience to contribute to their success and growth.

OUR INTERIORS

A green sofa and a potted plant.

UI Design

I worked with clients from different industries to create unique and memorable Website design for their businesses.

Marketing Strategy

It is a process to allow an organization to focus resources on the greatest opportunities to increase sales and achieve the company's target.

Online Advertising

Analyze and grow your audience

Create multichannel marketing

How to promote on Social Media?

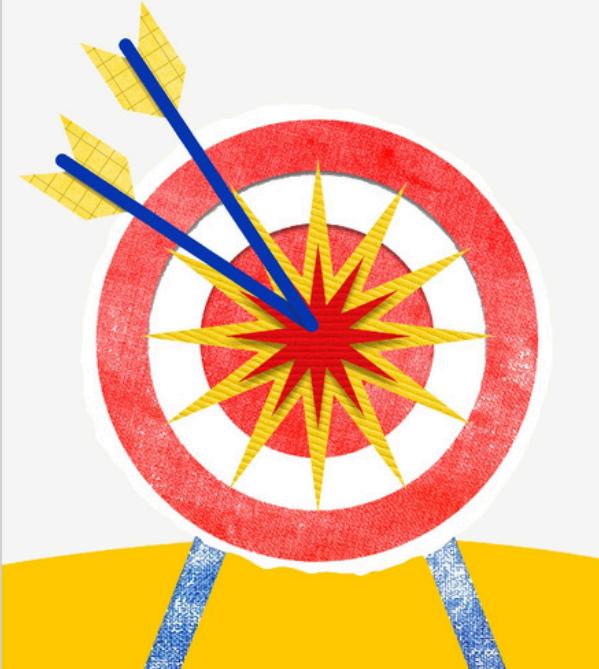

Marketing Strategy

A marketing strategy helps convey effective messages with the right twist of marketing approaches that will maximize your sales outcome and marketing activities.

Targeting

Research your target group and narrow your market.

Online Shopping

A new way of how we purchase goods at fingertips in modern era.

Any business that has online store or has products available for sale online will certainly augment its sales figures.
